

Writing- Based upon My Cousin is a Time traveller – before you start read the rest of the story.

Write a story about a superhero mission (aim for at least 2 paragraphs)

What is the superhero's name?

What is their superpower?

Who or what do they rescue?

Which villain do they stop?

Plan your story first, then write and then EDIT before pressing send.

Ideas for plan:

Paragraph one: Bullet point information about your superhero and what the mission could be – here you could introduce a villain.

Paragraph two: Bullet point information about how your superhero could complete the mission. What do they need to do in order to complete the mission?

Remember to use correct punctuation and capitals when writing the story. What punctuation could you include? Can you use a thesaurus (on the computer if you don't have one) to improve the language you have used?
