

Prefix Slider

This week we are spelling words with the prefix **press** and **vent**.

Work with a partner to make the word sliders by cutting along the dotted lines (you may need help with the slits). Thread the slider with the matching number through the slits so the letters are showing.

Slide the strips up and down to make each of this week's spellings. Write them in the last box.

For each word, take it in turns to choose a challenge from the list below and tick off when you have done each one.
