

VOTING SLIPS FOR END OF YEAR CLASS AWARDS

Below are questions to help you vote for a different member of your own class for each 'End of Year Award'.

You are not allowed to vote for yourself and the activity is to get you thinking about your classmates and remembering what they are like. The idea is to not just pick your friends as you can only use each name once.

This is all for fun and is a way of celebrating our classes at the end of the year.

Voting for:	MY VOTE GOES TO...

When you have completed the activity, post it back to me on Seesaw and I can count up the votes and create awards for the winners. With this amount of awards, every one of you will be awarded with something. Let's see what people are awarded with at the end.
