Sex Education

Dear Parents and Carers,

Sex Education lessons (in line with our Science curriculum, Sex Education policy and the Portsmouth PSHE framework for schools) will be taking place the week beginning Monday 29th June.

The children have already covered lessons on hygiene and external body changes in Year 5. In Year 6, sessions will be taught in their bubbles, by their bubble leader.

We will cover:

- Personal hygiene
- Puberty (revisit)
- Conception (including how it can be prevented)
- Birth

For those that are currently learning from home, we will be sending the PowerPoint presentations that we will be using, via email on Friday 26th June, to allow you time to look through the resources and ask that you talk and work through the presentations with your child. Be prepared that they may be quiet during the discussions but may ask questions at a later date.

If you have any further questions, please do not hesitate to contact Miss Harfield or your child's class teacher.

Yours sincerely

Miss T Harfield
Year 6 Leader
