

Tell Me a
Dragon

Jackie Morris

My dragon is made from the sun and the stars,
Sparkled with stardust,
all night he follows
the silver moon-path across the sky.

*My dragon is snaggle-toothed,
fierce and brave.*

*My dragons are tiny,
with whisper-thin wings of rainbow hues.*

*My dragon is a sky dragon.
Together we ride to the secret music of the wind.*

*My dragon is a sea dragon,
All day he plays,
racing dolphins in the waves.*

*Curled around my ear,
my dragon sings sweet songs,
tells me strange stories
from far away
and long ago.*
