

Hello! Hope you are all well and keeping safe 😊 Thank you for supporting your child/ children at home, keep up the great work! We have continued with the format for maths from last week. There is also a supporting video for each day, available at <https://whiterosemaths.com/homelearning/year-4/> for the entire week, this can be used if the children feel like they need a refresher before attempting the tasks. We love seeing what the children are up to and hearing how they are getting on. Please keep in contact at least weekly with your class teacher either via Seesaw or the class emails:
