Year 6 Leadership opportunities

House Captains

House Captains lead our 4 school houses - **Arundel**, **Portchester**, **Carisbrooke** and **Southsea** - they motivate the children in their houses to achieve as many house points as possible, host various exciting house competitions and collect house points and announce the winning house in a house point assembly each week.

This year, the house captains will be working closely with the adult leaders to create new opportunities/creative competitions and raise the competition stakes across all subjects!

Is this a job for you?

What is in it for you?

House Captains

- ▶ A chance to display your leadership skills and gain knowledge and experience motivating and inspiring your peers.
- ▶ Several chances across the year to be recognised by the whole school - assemblies, sports events, prize giving opportunities - although some of these may look a little bit different this year.
- ▶ A House Captain badge.
- ▶ A reward at the end of the year.
- ▶ Lifting the house cup with the winning ribbon around it in the final house point collection and sports day.
- ▶ House Captain tea party at the end of the year.

Year 6 Leadership opportunities

Prefects

Prefects lead by example. Being a prefect means that your manners and behaviour have been recognised as impeccable and that you are in inspiration to your peers. Our prefects support the lunchtime supervisors, subject leaders and infants with various roles from monitoring classroom games and corridors, helping with resources, supporting the management of the library and leading games in the playground and at the infants, we will always do this within COVID-19 safety measures.

Our prefects will be working in close collaboration with the House captains this year when possible.
