Dear parent / carer,

Further to our recent correspondence, please find below details of the start and finish times for the classes starting in September 2020. As I am sure you are aware the government have asked that we continue to operate staggered start and finish times. We would respectfully ask that, in order to limit numbers in school at any one time, you arrive within your child's ten minute time slot and that only one adult accompanies your child(ren). Please see the attached map for the allocated routes into and out of school and pick up and drop off areas.

Bubble/Class	Allocated and pick up and drop off area	Allocated drop off time slot	Allocated pick up time slot

Absolutely key to all expectations is if your child has coronavirus symptoms, or there is someone in your household who does, they should not attend the setting under any circumstances and you should inform the school.

On 3rd September we shall resend a copy of the parent protocols and would be most grateful if you could ensure that you have read these and respect them in order that we can ensure the health and safety of all children and adults that visit our school.

We wish you all a wonderful summer holiday and look forward to seeing you in September.

Take care,
