

COURT LANE JUNIOR SCHOOL

PE and Sport Grant Expenditure 2019/2020

PE and Sport Grant received	
Allocation for 2019/2020	£20,780
Amount carried over from 2018/2019	£5,174.91
TOTAL PE and Sport Premium for 2019/2020	£25,954.91
Objectives in spending PE and Sport Grant:	
<ul style="list-style-type: none"> To engage all pupils in regular physical activity and promote healthy, active lives To improve provision of PE – increase confidence and skills of all staff to teach and differentiate PE To continue raising the profile of PE and increasing participation in competitive sport for all pupils To provide appropriate resources To bring in professionals to support the wider curriculum objectives and Court Lane Crystals 	
How we have spent the money:	Impact:
Hiring sports coaches (PITC) to run extra-curricular activities	Children gain high quality provision for outdoor games, developing sport-specific and multi-sport skills
Portsmouth SLA gold package – 39 days of support for staff over the year so each teacher had weekly training for half a term (up to lockdown)	Staff are more confident with how to deliver PE lessons, including how to differentiate for children with SEND
Investing in Real PE as a scheme to support staff in delivering PE	Increased staff skills and confidence in delivering PE lessons through using resources available as part of this scheme.
Training 'Young Leaders' to run games and competitions during lunch times	Year 5 leaders developed leadership skills and helped to improve participation in physical activity during breaks
Purchased a range of PE resources	Resources ensure provision is wide-ranging, engaging and accessible for all abilities
Providing a wider range of opportunities to engage in competition	Children across the school have opportunity to take part in competition through the SLA – including those with SEND. These continued as virtual challenges during lockdown.
Continuing to develop inter-school competition – through personal best challenges (and planned events that were cancelled due to Covid-19)	Children are taught the value of personal best challenges as a means of challenging themselves without comparing them to other children – led to greater progress within PE lessons
Swimming coaching – year 5 pupils participated in swimming lessons with qualified coaches	<ul style="list-style-type: none"> 96/120 can swim 25m confidently. 22/120 were non-swimmers before the lessons 1/120 can swim 10m aided confidently 1/120 was a non-participant 7/120 nominated for trials at Northsea swimming club)
Paying for workshops – supporting the wider curriculum and Court Lane Crystals in ways that inspire and engage all pupils	Children learn from professionals about wider aspects of the PE curriculum e.g. healthy living through First Aid workshops (rescheduled for Spring '21 due to Covid-19).
Cover for staff to be released to gain CPD to improve PE provision across the school	NQTs and experienced teachers were given the opportunity to extend their knowledge of teaching PE, then share with the wider staff.
