2nd February 2023

STEM Week 2023

Dear Parents/ Carers,

This year, the national STEM week starts on Monday 13th March and the theme is 'connections'. The purpose of STEM week is to inspire, motivate and challenge pupils within Science, Technology, Engineering and Maths.

Both Court Lane schools will be having a STEM theme week during the week of 13th March and we are looking for any volunteers who would like to come in and inspire our young pupils to become the next scientists, technicians, engineers and mathematicians! If you would like to volunteer, please fill out the following form and indicate your availability.

<https://forms.office.com/e/2sQtk4dew>

There will be many opportunities during the week for the children to involve themselves in these areas of learning but hearing from people who are actually in the industries will make it come alive and be aspirational for them.

We cannot wait to hear from you!

Mrs Bishop
Year 1 Teacher

Miss T Harfield
Year 6 Teacher
