Dear parents and carers,

As part of our commitment to making maths exciting and high profile in our school, we are taking part in a friendly competition involving schools in England called:

“ENGLAND ROCKS”

- WHEN: 07:30 on Tuesday 14th November – 19:30 on Thursday 16th November
- DAILY TIME: 60 minutes maximum; between 07:30 and 19:30 each day
- WHERE: TTRS - <https://play.ttrockstars.com/>
- GAMES: ANY game mode on TTRS
- POINTS: One point for each correct answer to a multiplication or division
- WINNERS: Certificates for:
 - Top 3 classes in the school,
 - Top 3 pupils in each class
 - Top 3 pupils in the school
 - Top 3 schools in the competition (nationwide)
 - Top 3 pupils overall (nationwide)

The competition runs from 07:30 on Tuesday 14th November to 19:30 on Thursday 16th November and is completed online via play.ttrockstars.com. Children can play in any game mode, with every correct answer to a multiplication or division earning themselves, their class and the school a point. The Times Tables Rockstar platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit - see below). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player well-being, there is a daily time limit of 60 minutes between 07:30 and 19:30 each day that the competition runs. Once the player goes beyond 60 minutes of play on a given day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of competition, please do not play on your child's behalf, but please encourage and support them to the extent that it does not impact on family plans.

If your child has lost or forgotten their login details, please contact their class teacher.

Regards

Mrs L Rae
Maths Lead
