

## English

In English, we will be looking at developing our non-fiction writing skills by creating non-chronological reports about animals linked to the text 'The Great Kapok Tree.' Towards Christmas, we will be developing our reading skills through the text 'A Boy Called Christmas' by Matt Haig.

**adjective, conjunction, fronted adverbial, parenthesis, relative clause**

## PSHE

In PSHE, Mercury and Neptune will continue to engage with the Brain Buddies work from the Mental Health support team.

Venus and Jupiter will consider the question; 'What decisions can people make with money?'

## Music

In music, we will be exploring the genre of 20<sup>th</sup> and 21<sup>st</sup> Century Orchestral music and performing music in this style.

**listen, appraise, tempo, dynamic, texture**

## French

In French, we will be learning language linked to families. We will use this to describe and ask questions about family.

**La famille, les frères, les sœurs, la mère, le père**

## Maths

This half term we will be learning about different methods for multiplication and division, including compact column method multiplication and long and 'bus stop' division methods.

**multiply, divide, multiples, factors, prime, square and cube numbers**

## Year 5 Autumn Term 2

### The Year 5 Team

Year Leader – Mrs Sandy  
Class teachers – Miss Knight, Miss Bevington, Miss Slingsby and Miss Miles  
Teaching assistants – Miss Andrews, Mrs Anderson, Mrs Cole and Miss Ousby  
ELSA – Pastoral team

## PE

In PE, we will be taking part in Real Dance.  
**rhythm, beat, performance**

## RE

In RE, we will be exploring the concept of 'Prophecy' linking to the Christmas story.

**prophecy, Christmas, Magi**

## Science

In Science, we will be exploring the solar system in which we live. We will be looking at the movement of the Earth relative to the Sun and Moon as well as using the idea of Earth's rotation to explain day and night.

**Earth, Sun, Moon, planets, Solar System, rotation, spherical**

## Art/DT

This term, we will be baking Fairtrade flapjacks.

**plan, bake, prepare, weigh, measure**

## Humanities - Geography

Our enquiry question for this half term is 'Are the rainforests the lungs of the Earth?' where we will be exploring the life in the world's rainforests and the dangers they face.

**ecosystem, biodiversity, sustainability, pollution, export, import, trade**

## Computing

In computing, we will be using crumble kits and coding to consider how microcontrollers are used in real-life situations.

**code, algorithm, output, input, data, repeat loops, flowchart, debug**
