

# App developers wanted!

Are you interested in using new apps?

Could you show others how to use them too?

If yes, Court Lane Juniors needs you!

We are looking for a team of students who are willing to give up their own time to help develop the use of digital technology in the classroom. You will need to be confident in using hardware such as iPads, laptops and desktop computers. You will work with Miss Quade and other adults to test out and learn how to use a range of apps and technology to then teach other students and staff.

How to apply:

You will need to produce a piece of media explaining why you think you would be suitable for the role. This could be a poster, presentation or video. The more creative the better!

Deadline:

Applications need to be sent to [farah23@courtlanejnr.co.uk](mailto:farah23@courtlanejnr.co.uk) by

**Wednesday 3rd January 2024.**

If you are successful, the app club details are:

When: Mondays 3.30 - 4.30pm

Cost: Free

Start: Monday 8th January 2024

**Children will be chosen by Friday 5th January 2024.**
