

Wow!

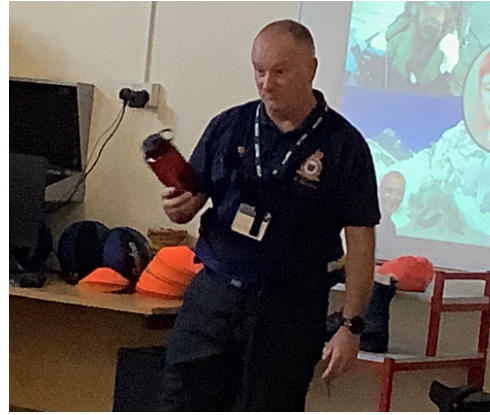

This term Year 5 have...

...watched our caterpillars transform into butterflies...

...created our very own human solar system...

...been visited by Arctic explorer Al Sylvester...

...hosted Court Lane's first ever Science fair...

...baked flapjacks with Fairtrade ingredients...

...listened to assemblies to teach us about staying safe...

...had Brain Buddies sessions to learn about our emotions...

...wrote climate change speeches and recorded ourselves delivering them...

...and so much more!

What an amazing term!
We can't wait for the next one!
