

YEAR 6 AUTUMN TERM

PREFECTS AND HOUSE CAPTAINS

This term our prefects and house captains have conscientiously taken up their new responsibilities, including lunchtime duties, wet play duties, collecting food for the food bank and helping Mrs Shawyer with house point collection.

Webpage creation

The menus at the top of the page allow you to choose which section of the site to look at. If you hover over them more options appear.

This box allows you to search for a specific word on the website.

Media: The text gives further information about the pictures.

Media: There are pictures on the site. These make the site colourful and each picture can be clicked and it shows you more about the animal.

COMPUTING

After looking at the features of a website, children had the opportunity to create a website about their interests using powerpoint, including hyperlinks!

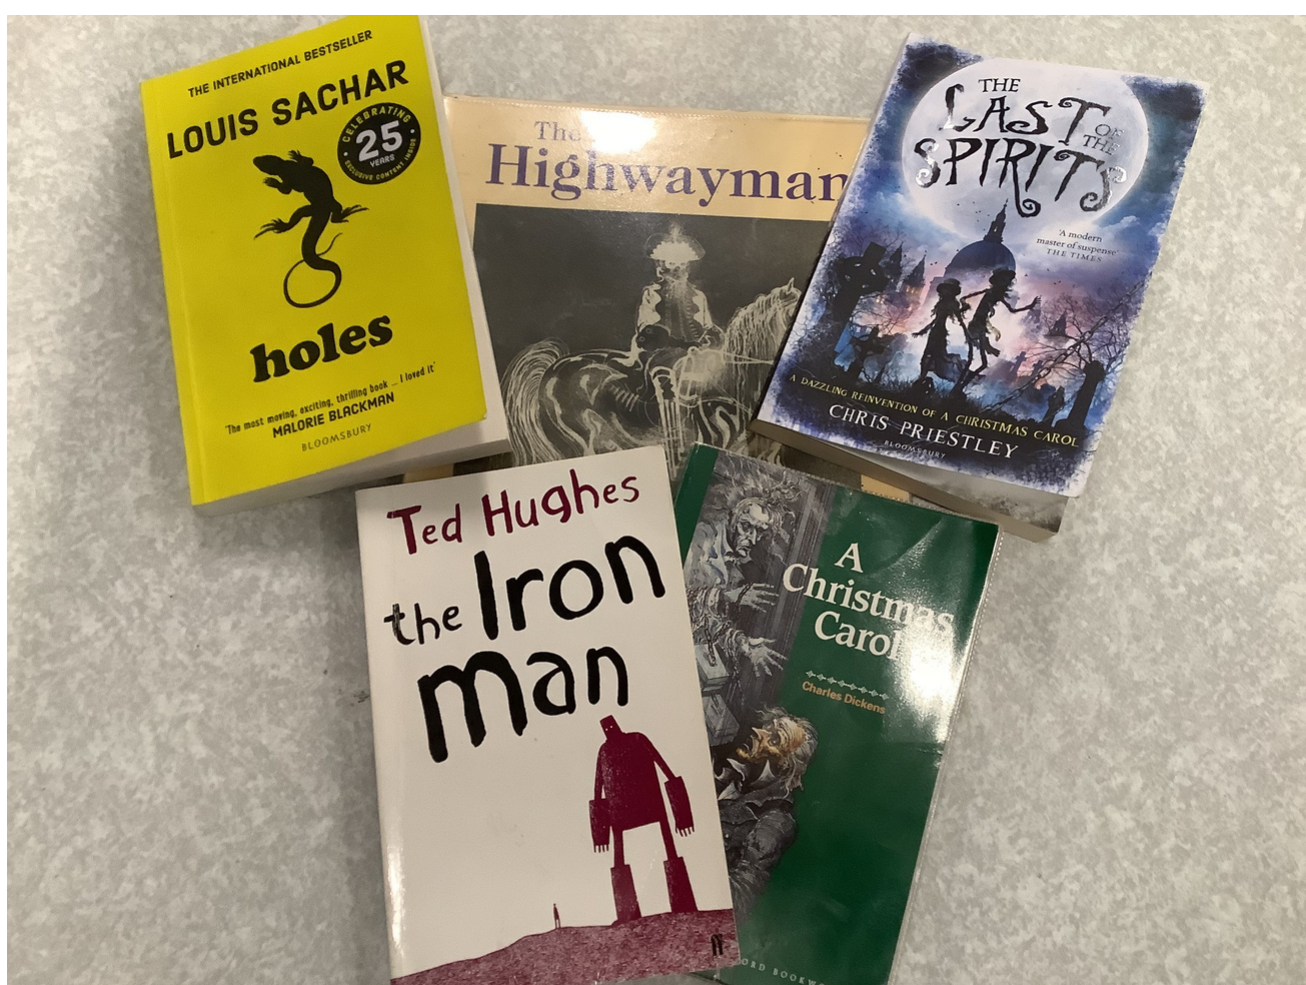

SWIMMING

Year 6 have enjoyed swimming at the Mountbatten Centre this term, developing their water skills as well as their knowledge of water safety.

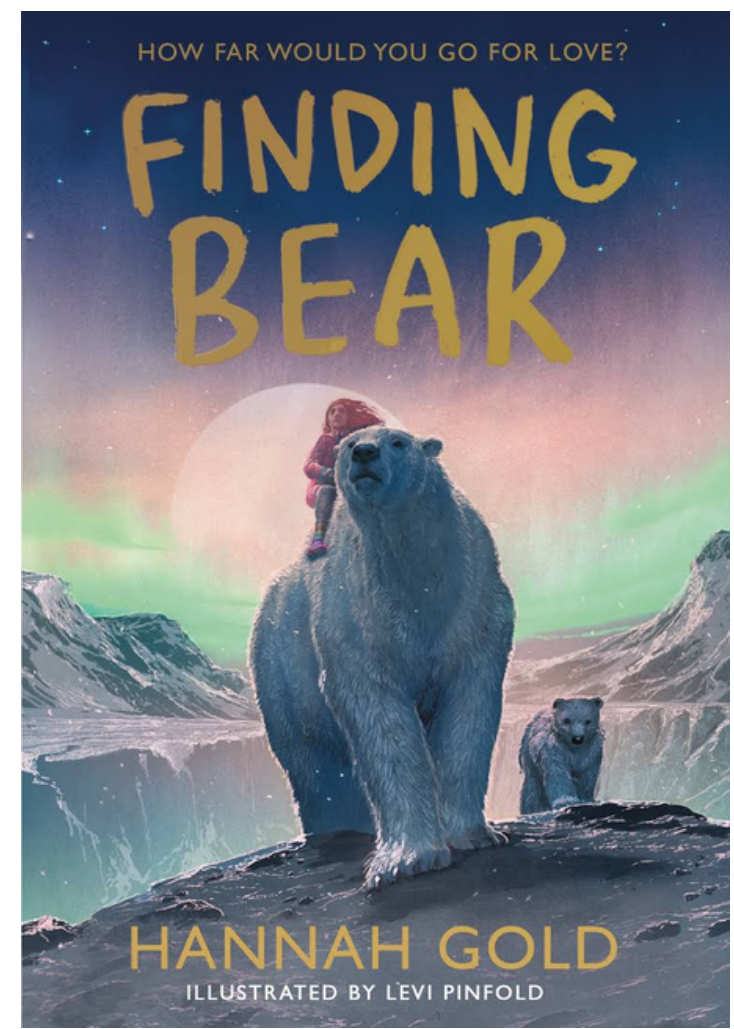

READING

We have studied a range of texts in English, including A Christmas Carol, Holes and The Highwayman. Our Year 6 readers have really impressed us with their love of reading - we have 6 word millionaires already!

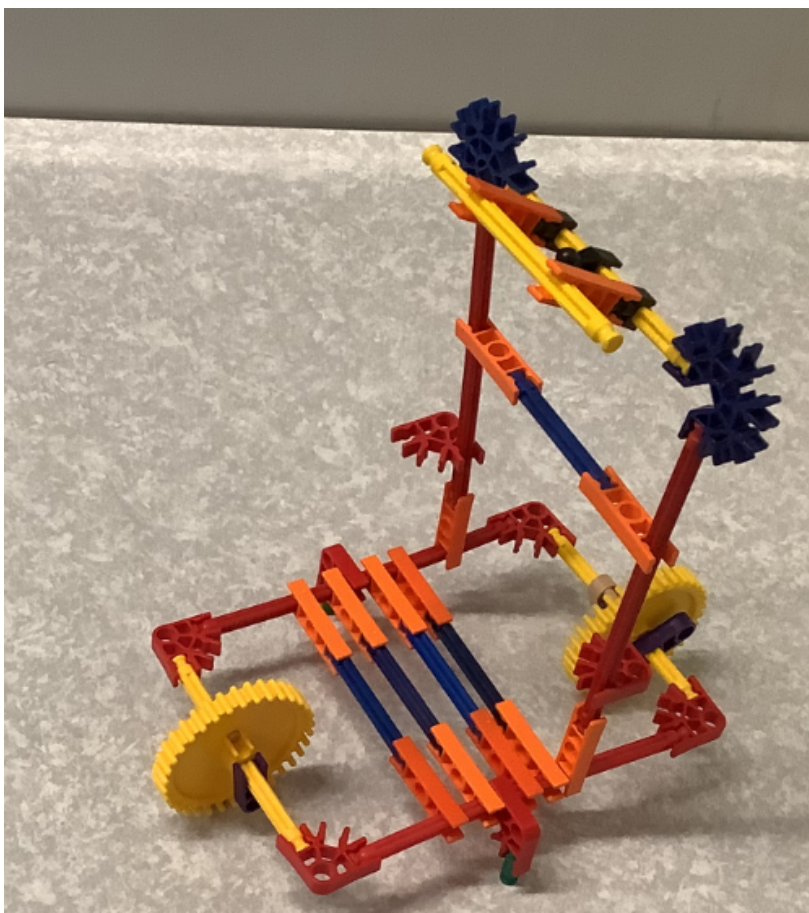

AUTHOR VISIT

We were lucky enough to have a visit from author Hannah Gold, who inspired children by telling them about her works and writing process. Our Year 6 librarians had the opportunity to meet her afterwards.

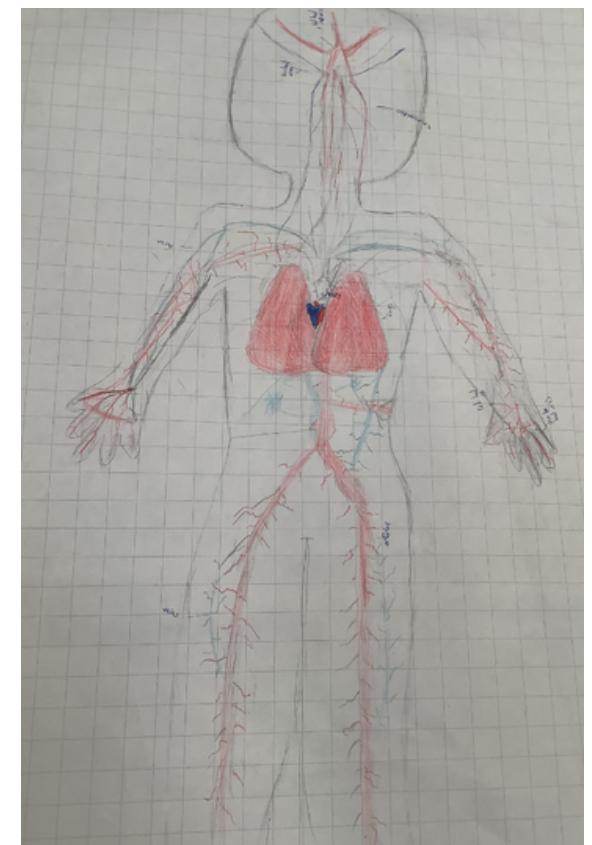

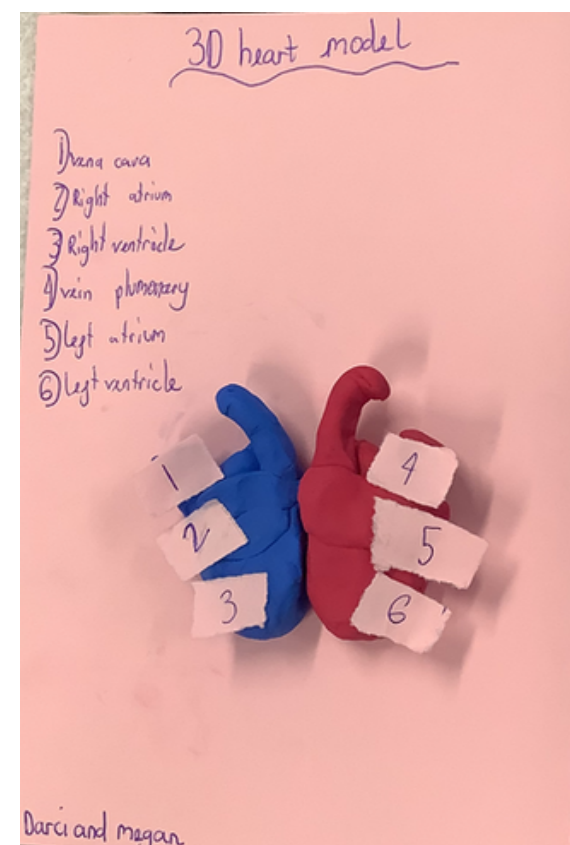

DT VEHICLES

Children have applied their learning about gears and pulleys when making a moving vehicle using K'nex.

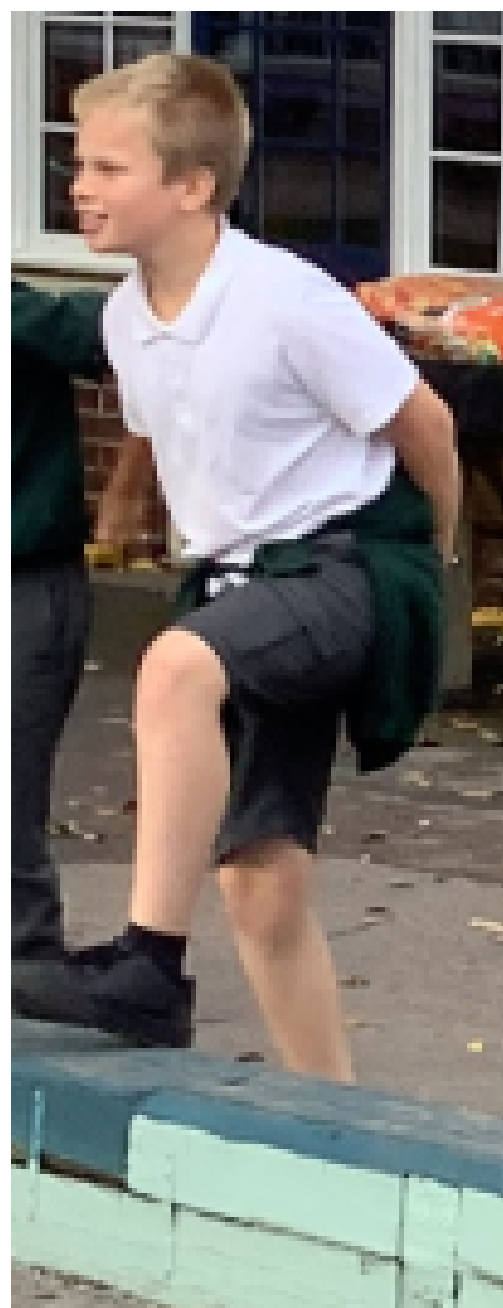

SCIENCE

We have conducted a range of experiments in science when investigating the human body, including creating our own bottle of blood, modelling a heart out of clay and seeing what happens when we put a gummy bear in water.

Oakum picking

Victorian treadmill

HISTORY

As part of our Crime and Punishment unit, we have looked at how punishments have changed over time - from the Romans to Modern Day. We had to enact the Victorian punishments of oakum picking and the treadmill - these were pointless tasks which prisoners had to do all day.
