Dear Parent/Guardian

As part of our commitment to improving literacy and encouraging reading for pleasure, we are delighted to inform some and remind others that there is an **online version of our library catalogue** available for use both at school and at home.

**JuniorLibrarian.net** allows pupils, staff and parents to **browse our school library stock, write and read reviews, and see news** such as forthcoming books, awards, fairs and competitions. It also includes a fantastic feature called **'Who Next'**, which recommends future books and authors based on the books that your child has already borrowed.

You can access it directly using the following address: <http://u000646.microlibrarian.net>, or via a link on the school website, on a new 'Library' page found under the 'Information' section. There is also an App version with the same functionality called 'iMLS' available from the App Store and Android Market.

If you would like your child's username and password please complete the slip below and return it to me. Do let me know if there are any problems or queries.

Many thanks
