Dear Parent/Carer

As your child has entered Year 6, he/she is able to borrow books from the '11 Up' range we have in the school library.

These books are designated 11 Up for various reasons – although all written for children, they may contain some mild violence, horror or swearing, or they may feature older characters and deal with issues and topics more suitable for children of this age.

The computer will automatically allow children in Year 6 to scan out these books should they wish to. If you **do not** wish your child to take out these books, then please complete the slip below by Monday 9th September, and hand it to your class teacher in person. If this is not possible, please phone me to ensure I have received the opt-out request.

If you would like to come and view the books in this range, please contact me and I will be happy to arrange a visit. Do let me know if there are any problems or queries.

Many thanks
