

Coordinates Spelling Game

Working with a partner, decide who will be noughts and who will be crosses. The first player needs to throw two dice and map the coordinate they make on the spelling co-ordinate grid - the first dice shows how far you need to go across the x-axis and the second dice shows how far you need to go up the y-axis.

Use the statutory spelling challenge word in that square within a sentence with a fronted adverbial on your whiteboard. If you manage to create a sensible sentence, cross off that square using your chosen symbol. The first player to get three squares in a row is the winner!

6	address	breathe	fruit	busy	forwards	complete
5	heart	busy	address	forwards	extreme	breathe
4	address	heart	business	complete	busy	heart
3	business	extreme	complete	extreme	strange	breathe
2	fruit	complete	strange	heart	fruit	forwards
1	breathe	forwards	extreme	strange	business	extreme
	1	2	3	4	5	6

Challenge Task

Can you use three of your spelling words in the same sentence?
