

Home Learning Week Beginning 27.4.2020

Hello! Hope you are all well and keeping safe ☺ Thank you for supporting your child/ children at home, keep up the great work! We have slightly changed the format for maths this week. This week, we have put it on one document, hopefully this is easier to access. There is also a supporting powerpoint for the entire week, this can be used if the children feel like they need a refresher before attempting the tasks. We love seeing what the children are up to and hearing how they are getting on. Please keep in contact at least weekly with your class teacher via the class emails:

	<p>To begin your week, we would like you to recap some of the main parts of recognising place value in Year 4.</p> <p>Complete the tasks on the sheet under the heading – Monday</p> <p>There are some added challenges at the bottom of each day if you wish to challenge yourselves!</p> <p align="center">TTRock Stars Sound check x 3</p>	<p>Today we'd like you to practise comparing numbers and putting them in orders. Remember, ascending is smallest to biggest and descending is biggest to smallest!</p> <p>Complete the tasks on the sheet under the heading – Tuesday</p> <p>There are some added challenges at the bottom of each day if you wish to challenge yourselves!</p> <p align="center">TTRock Stars Sound check x 3</p>	<p>Today we'd like you to practise using and counting in negative numbers.</p> <p>Complete the tasks on the sheet under the heading – Wednesday</p> <p>There are some added challenges at the bottom of each day if you wish to challenge yourselves!</p> <p align="center">TTRock Stars Sound check x 3</p>	<p>Today we'd like you to practise counting in different amounts both up and down!</p> <p>Complete the tasks on the sheet under the heading – Thursday</p> <p>There are some added challenges at the bottom of each day if you wish to challenge yourselves!</p> <p align="center">TTRock Stars Sound check x 3</p>	<p>Today we'd like you to practise rounding to the nearest 10. Rounding can be a little tricky, so you need to remember the rules:</p> <ul style="list-style-type: none"> • When you round to the nearest 10, you look at the ones column. • When you're looking at the ones column, and the digit in that column is 0-4, the column before will stay the same. If the digit is 5-9, then the digit in the column before will round up. • The numbers in the columns after, always become 0s. <p>Complete the tasks on the sheet under the heading – Friday</p> <p>There are some added challenges at the bottom of each day if you wish to challenge yourselves!</p> <p align="center">TTRock Stars Sound check x 3</p>
